Through the Eyes of a Street Outreach Worker... **Story**

We met Deb in September 2023 at a local Walmart. She was digging through the donation drop-off area in the parking lot. We approached her to see if she needed any hygiene products, food, clothing, etc. Deb has been a regular on our Street Outreach route. Deb goes to a local Starbucks to be sheltered and safe for as long as possible during the day. The staff there are very gracious to her and she has become a fixture of the establishment. This act of kindness makes Deb very comfortable both physically and mentally, allowing her to

temporarily forget the dire situation still present-homelessness. After numerous interactions to establish a trusting relationship, we worked with her on multiple applications to apartment complexes in the area. These applications ended up either being "lost" or just not completed on Deb's end. However, we used this as an opportunity to plant a seed in Deb's mind that would hopefully keep nagging at her until she saw the absolute need to secure housing. Repeatedly describing the reality of a Midwest winter in gory detail eventually had its desired effect. Deb allowed us to get her back into the Coordinated Entry Program. Today, she is preparing to sign a lease and will soon be in a place of her own. I believe this is a story of success due to the fact that Deborah was so resistant to our help for such a long time and finally gave us a real opportunity to help -- and we were successful in our efforts.

Resident Christmas Party

Thanks to all of you, our shelter residents enjoyed an evening at the beautiful Butterworth Center. With great food catered by Augustana, gifts, fellowship and music from St. Anthony's Choir, we were able to offer a memorable holiday. Thank you to all who helped make it happen this year!

"Success is the sum of small efforts, repeated day in and day out." "Success is rarely the result of one swell swoop, but more often the culmination of many, many small victories." "Success doesn't come from what you do occasionally, but what you do consistently."

Cyrus came to Christian Care after being incarcerated for 2 years. He had lost all of his identification including his Green Card. Angela, his Service Coordinator was able to help him with the extensive & intimidating process of applying for a lost card as well as waiving a large fee for the green card. This was a <u>6-month</u> process; however, critical for Cyrus's long-term housing stability. This is how we build bridges for people.
