Chapter 20035

**QUAD
CITY
BANK &
TRUST**

In the face of both local & nationwide challenges confronting those experiencing homelessness, this year's event is more significant than ever. Our keynote speakers bring powerful narratives:

Kele Jones, a former resident & participant in the Drug Court Program, will share his story of resilience and transformation. Joining him is Andy Boswell, a long time community advocate, offering valuable insights into the ongoing efforts to support those in need.
